What we do to get kids ready for kindergarten

- Send info out to parents of all k-bound children
- Monitor progress through GGG (Get it, Got it, Go)
- Monitor progress through cc.net(Creative Curriculum)
- Design activities that support the ODE Preschool Content Standards
- Individualize according to student needs
- Focus on literacy and oral language in the classroom
- Use HWT(Handwriting Without Tears) to support writing skills
- Involve parents using PACT activities (Parent And Child Together)

Get It, Got It, Go – GGG

Is the literacy assessment used to measure skill levels and growth during enrollment in Head Start.

Program Accomplishments

- We have two centers that are Step Up to Quality star rated: Zane State at 3 Stars and Maysville at 2 Stars.
- We received a Shade Cover Grant from American Academy of Dermatologist in collaboration with Dr. Hibler, a local dermatologist. Muskingum County is ranked 3rd in the state for incidents of melanoma.
- We have 2 On Board Instructors employed. It's a good ratio for the number of drivers we have.
- We were able to provide a Parent Support Group with training topics of their choice.
- We are able to provide an incentive store for In-Kind rewards.
- We are able to provide training sessions to outside agencies on topics such as: First Aid, Communicable Diseases, CPR and 1-2-3 Magic.
